The Daylight Store

Make Your Money Count For all That it is Worth.

By buying where you can get best values, where you can get style, coupled with best wear. Here are a few things that you can be right on and these at low prices, such as Sweaters, Hosiery and Underwear.

Catmar Mills.

Sweaters

Every kind of a cloth or yarn of wool has advanced in price so that an early purchase will surely save you something on the price.

All Sweaters that we have are from an order given last May before the advance, so that we can sell them at very less prices and give you all wool at future prices of part cotton.

Children's Wool Sweaters in three different styles, just now at 98c each.

Misses' Wool Sweaters in all sizes, coat style, just now at \$1.50 each.

Ladies' Wool Sweaters, like above cut, in white and colors, just now at \$2.50.

We cannot make above prices in three weeks from now, not if we get our money back.

The only reason that we are selling best Yarn in quarter pound skeins for 30c is that we have the yarn paid for at old prices.

Heavier than ever this fall are our line of Ladies' Suits. Suits in long coat, plaited skirt.

Hosiery

Hosiery is one of our hobbies. You are no doubt acquainted with the new tariff on foreign hosiery it has advanced so that a good foreign hose for 25c will be out of the question.

We want to say that the Black Cat Hose people of Kenosha, Wis., have just notified us that Black Cat Hose would continue to have that excellent quality and at old prices, so that 25c will with us continue to buy a fine fast black, excellent wearing pair of Black Cat Hose.

Misses' and Boys' two and two Ribb Merino Hose in all sizes at 25c per pair. This is one of our best. We have sold it long enough to believe all that we say in its favor.

Ladies' Black Cat Hose have fineness as well as weight and we know that they have great wearing qualities for 25c.

For those that would like to be protected by a warranted Hose we have the original Warranted Holeproof Hose, the only warranted Hose that has always made good. (Quality protects their warrant.)

Underwear

Not every kind here but enough of the good kinds to satisfy customers that will have both fit and wear.

Some will buy most any sort offered for sale, others are particular, what some call fussy, and want what they want. We are here to satisfy the trade and have the goods to meet that demand.

One garment in particular is a Misses' Jersey Fleece Vest and Pant that is fine, well shaped and delights the young lady by being made very near like mother's, at 25c each.

Bennington Underwear for many, especially old ladies or those that have rheumatism. Two grades, \$1.00 and \$1.50 each.

Munsing Union Suits. This mill protects every member of the family, being made of three threaded yarns so woven as to give a vast amount of warmth without being heavy and excellent to wear, it recommends itself to every user of Union Suits. Price is the smallest part of the contract. Just try one suit.

A Soap for Particular People

You know what Purple Azalea scent is—a sweet, lasting "smart" perfume. The goodness of

PURPLE AZALEA Toilet Soap

depends, not only on the fact that it imparts the delightful Purple Azalea scent to its user, but because it has a distinctly beneficial effect on the skin.

It contains certain essential oils that soften and beautify the skin and one of the harsh alkalies found in most soaps and which crack and roughen the skin.
